2. The APR is calculated based on a set of assumptions as set out in the relevant guidelines referred to in the Code of Banking Practice and the actual APR applied to your card account may be different. US\$ Visa Gold Card requires payment of the statement balance in full and the APR (calculated by assuming only 1% of the current balance plus the total fees and charges currently billed to the card statement are settled each month) is for reference only.
3. You may refer to the finance charge on your monthly credit card statement for the interest we charged you due to failing to repay the statement balance in full on or before the payment due date. Please note that accrual of interest will continue after the statement cut-off date and the accrued interest will only be charged and shown in the next statement. If you wish to fully settle the interest, you may contact us to ascertain the amount of accrued interest payment following the current statement cut-off date. For enquiry, please call 2233 3033 for HSBC Premier Elite customers, 2233 3322 for HSBC Premier customers or 2233 3000 for Other Personal Banking customers.
4. The annual fee for HSBC EveryMile Credit Card is HK\$2,000. This fee is subject to change or waiver at our discretion. The fee for the following year will be waived if the annual spending with HSBC EveryMile Credit Card reaches a designated amount. Please visit [hsbc.com.hk/everymile](https://www.hsbc.com.hk/everymile) for details.
5. The foreign currency transaction fee applicable to HK dollar personal credit cards and US\$ Visa Gold Card is inclusive of the transaction fee of 1% charged to us by Visa/MasterCard Worldwide.
6. This standard charge applies to any Credit Card account if account holders receive one or more paper statement(s) anytime during a calendar year. The following group of customers will be exempt from the annual fee: aged below 18 or 65 and above, recipients of Government's Comprehensive Social Security Allowance, recipients of Government's Disability Allowance and the physically disabled or visually impaired.

To borrow or not to borrow? Borrow only if you can repay!

The Chinese version of this KFS is for reference only. The English version will prevail if there is any inconsistency between the English and Chinese versions.
