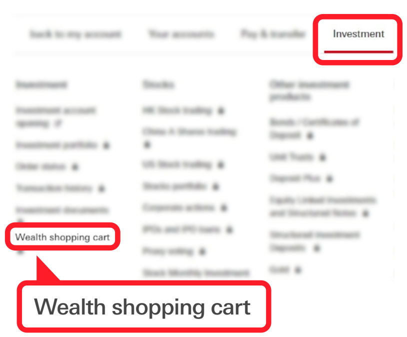
# Accessing your Wealth shopping cart online

Thank you for your recent visit with our relationship manager or Wealth Coach. We have added the selected products from the Investment Journey Note to your Wealth shopping cart on Personal Internet Banking for your consideration.

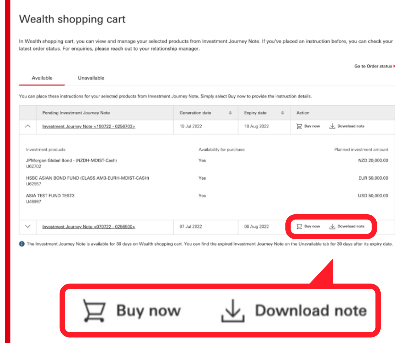
This leaflet is a guide to accessing and processing the Wealth shopping cart online. Please note that these orders will expire after 30 calendar days from the generation date, and you have to confirm your financial circumstances remain unchanged to proceed with the orders.

## 1. Log on to Personal Internet Banking



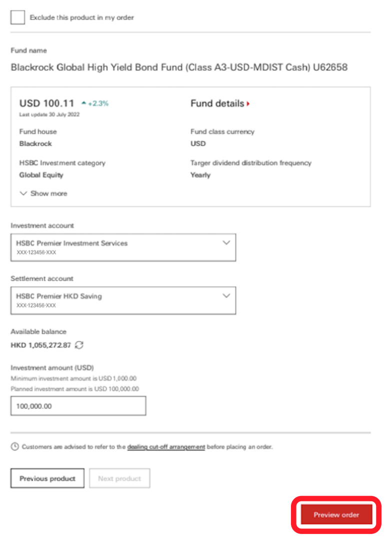
Log on to your Personal Internet Banking, hover over "**Investment**" at the top menu bar and select "**Wealth shopping cart**".

## 2. Access Wealth shopping cart dashboard



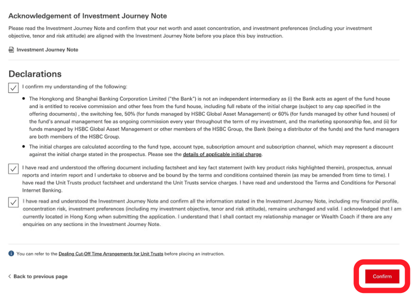
Click "**Buy now**" to proceed with the order placement.

## 3. Update Buy instruction details



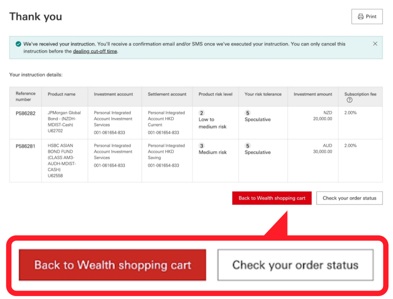
Fill in the investment account and amount for each of the products. You may exclude the products that you do not want to subscribe by ticking the top checkbox. At last, click "**Review instruction**" to proceed.

## 4. Confirm order application



Read the fund offering documents and investment journey note, and review and confirm the declarations by ticking the checkboxes. Click "**Confirm order**" to place your order after you have read and understood the documents and declarations listed above.

## 5. You are all set



A summary will be shown after the order is completed - you will receive an SMS when it's executed. You can click the "**Check your order status**" to check your investment order.
