Cash Deposit Machine

A smarter and faster way to deposit your cash

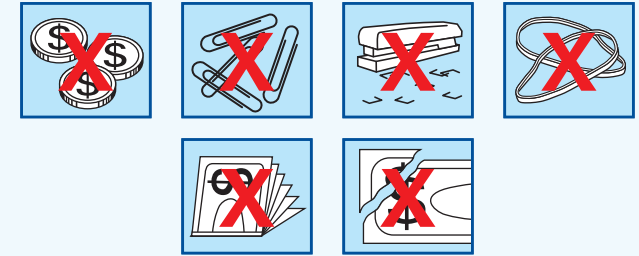

How to use the machine?

Points to note when using the machine:

- Do not make a deposit with coins or accessories like clips, staples or rubber bands. Folded or damaged notes may also affect the transaction.

- Daily maximum deposit limit up to HKD100,000.
- The credit card limit will be adjusted on the next working day after cash deposit. Saturday, Sunday and Public Holiday will not be counted as working day.
- Bill payments cannot be made through this machine.
- If your notes are retained by the machine, the deposit amount will be reimbursed to your account after verification.
